TO: Each Supervisor

FROM: Gail Farber *Gail Farber*  
Director of Public Works

**BOARD MOTION OF AUGUST 4, 2015, AGENDA ITEM 8**  
**50TH STREET WEST AT AVENUE M-2**  
**TRAFFIC SIGNALS CONTROL INSTALLATION**  
**UNINCORPORATED QUARTZ HILL AREA**

As directed by the Board, Public Works will be installing a traffic signal at the intersection of 50th Street West and Avenue M-2 in the unincorporated community of Quartz Hill.

The total cost for the installation of the traffic signal and acquisition of the necessary easement is estimated to be \$450,000. The design cost is estimated to be \$141,000 and will be made available from the Highway Safety Projects appropriation of the Fifth Supervisorial District's Transportation Improvement Program in the Road Fund Fiscal Year 2015-16 Budget. The remaining \$309,000 to finance the project will be made available by deferring a project previously programmed for delivery in the Fifth Supervisorial District's Transportation Improvement Program in the Road Fund Fiscal Year 2016-17 Budget. We anticipate construction to be completed by October 2016.

If you have any questions, please call me or your staff may contact Patrick V. DeChellis, Deputy Director, at (626) 458-4004.

AGN. NO. \_\_\_\_\_

MOTION BY MAYOR MICHAEL D. ANTONOVICH

August 4, 2015

Construction of the new Los Angeles County Quartz Hill Library is scheduled to begin this month. The library is anticipated to be open in August 2016. The library will be located near the intersection of 50th Street West and Avenue M-2, in the unincorporated community of Quartz Hill, across the Quartz Hill Elementary School. It is anticipated the library will be visited by students from the elementary school, as well as parents, teachers, and residents in the community.

The intersection of 50th Street West and Avenue M-2 is currently uncontrolled. Considering the anticipated increases in the number of vehicles and pedestrians at the intersection, and for the safety of students and others who cross 50th Street West at Avenue M-2, the installation of a traffic signal is prudent.

**I, THEREFORE, MOVE** that the Board of Supervisors direct the Director of Public Works to install a traffic signal at the intersection of 50th Street West and Avenue M-2, in the unincorporated Quartz Hill area, and report back to the Board within 30 days with a schedule to install and activate the traffic signal.
